Sun, 05 Aug 2018 14:52:00 GMT - Impalement, as a method of execution and also torture, is the penetration of a human by an object such as a stake, pole, spear, or hook, often by complete or partial perforation of the torso. It was used particularly in response to "crimes against the state" and regarded across a number of cultures as a very harsh form of capital punishment and recorded in myth and art.
