Sun, 15 Jul 2018 10:17:00 GMT - THE ROAD By Cormac McCarthy ... The road was empty. Below in the little valley the still gray serpentine of a river. Motionless and precise. Along the shore a burden of dead reeds. Are you okay? he said. The boy nodded. Then they set out along the blacktop in the gun-metal light, shuffling through the ash, each the other's world entire. They crossed the river by an old concrete bridge ...

- On a road trip, Bryson is pleased to find no one cuts him in traffic. It is, he writes, "like the England that used to exist everywhere, in which you considered the needs of others along with your own on the assumption that they would do likewise with you." That fictional former England "all rose gardens and tea with Mr. Tumnus" sounds nice and all, but I prefer the new England, the one that's given up its colonies and started letting women into universities.
